

To Whom It May Concern,

We have been working with Link Us public relations agency for some months now as Istanbul Technical University. Our collaboration has provided fruitful outcomes in terms of creating strong media relations and creating awareness among targeted audiences. Link Us has been serving us yearly communications plans. They are successfully emphasizing our university's power through various events. They are creating and searching possible platforms of communication for us.

We are so pleased from this cooperation and we plan to continue on working with LinkUs.

Best regards,
